

AMEDMENTS TO THE SPECIFICATION:

Please amend the title of the invention as follows:

LIGHT-EMITTING APPARATUS ~~AND FABRICATION METHOD OF THE SAME~~

Please replace the specification with the attached substitute specification. The changes made to the specification address the grammatical errors noted on page 2 of the Office Action and correct other minor informalities. It is respectfully submitted that the substitute specification includes no new matter. Also attached is a marked-up version of the substitute specification showing changes made.
